LEAK FREE OIL SEALS

The profile of oil seals 12010910B, 12010974B and 12010917B were improved to guarantee a better functionality. All seals are now available with grooves (profile X7) on the outer side. This product enhancement provides a better sealing action whilst accommodating all the functions of the original radial shaft seal. Further information: www.ecatcorteco.com
