

PULLEYS

CORTECO

Pulleys from Corteco are carefully matched to engine and vehicle and guarantee a perfect fit. Corteco products are supplied by the **OE-manufacturer Freudenberg**. These parts combine the benefits of **Freudenberg-know-how**, careful component selection and extensive product testing.

Corteco is constantly extending its product range and now offers first-to-market pulleys for **AUDI**, **VOLKSWAGEN** and **BMW** applications.

Selection of pulleys new in range 01/2018:
