

ENGINE MOUNTS

FOR START-STOP-SYSTEMS

More than half of the cars currently produced are equipped with start-stop systems that reduce CO2 emissions and save fuel. The OE trend points upwards.

Corteco has increased its range of start-and-stop engine mounts for different high performance engines for **Mercedes, Volvo, VAG and PSA.**

Selection of engine mounts new in range 07/2017:

Manufacturer	Model	Art-No.	OE-No.	First-to-market
